FESTIVAL OF
TREES
NOSTALGIA
NOVEMBER 18 – JANUARY 7
BERKSHIRE MUSEUM
Deep roots in our community.

Where did our stories begin? Who was there at the beginning? How do you remember our history? There is something about the distance between the present and the past that enchants us. For many, it is this feeling that draws them to museums in the first place. When opening an old family photo album or reminiscing with a friend from years past, we feel that sense of longing or whimsy best summarized as nostalgia. It is a calling back to places and things gone by, and a reminder of why we continue to move forward to a new future.

As we continue to celebrate the Berkshire Museum’s 120th anniversary, we have been tracing our history back to the beginning. And for many of us, some of the brightest memories from our past revolve around the annual Festival of Trees.

So, it seems only fitting that this is the year it comes back.

*Festival of Trees: Nostalgia* will run Saturday, November 18, 2023, through Sunday, January 7, 2024, with trees decorated in the central theme of nostalgia. The festival will be smaller this year, as we intend to keep the tradition alive in preparation for a full-sized return in 2024. A special ticketed preview party will be held on Friday, November 17. The night will include a complimentary bar, hors d’oeuvres, and an appearance from Grammy-awarded songwriter Paul Williams.

*Sponsorship opportunities are available to maximize your exposure and enjoyment of the event.*
Want to be involved? Here’s how:

DECORATING A TREE

We invite you to join us for the return of the Festival of Trees by decorating a tree that represents the theme of Nostalgia. This is your chance to come together with the community and share the story of how you began.

Of course, you are welcome to decorate your tree any way you wish!

The possibilities are endless, though there are a few guidelines to follow.

**Tree Decorating Guidelines:**

– All trees must be artificial and supplied by you.

– Each participant has a 4 x 4-foot allotment of floor space. (Participants at the $1,200 Sponsor Package level and above will be given more flexibility.)

– This year, space around the base of the trees will be reserved for schools, who will decorate villages for display. Please account for this when creating your tree!

– For safety reasons, all decorations must be securely attached to your tree.

– All lights must be UL approved. Please follow all package safety instructions.

– The Museum accepts responsibility for supplying electricity to your tree. Battery-operated displays will not be maintained by the Museum.

– To ensure that the Festival of Trees is fun for all but does not jeopardize other Museum collections and exhibitions, loose sand, glitter, tinsel, confetti, or other materials that can be tracked through the galleries are not permitted.

– Decorating with plants and food, including dried vines, hay, seed pods and nuts, candy (even wrapped), cookies, donuts, popcorn, cranberries, and fruit is not permitted.

– The Museum cannot be responsible for valuables or electronics on or under the tree, and sound accompaniments of any kind are not permitted.

– **The Festival of Trees is a celebration for ALL. To help make this an inclusive and welcoming experience, decorations that contain explicitly religious or political messaging are prohibited.**

All decorations must comply with current fire codes.

For questions concerning your decorating plans contact William Demick at wdemick@berkshiremuseum.org or 413-443-7171 ext. 382.
